

# The Prestonpans Tapestry

## Design your own Jacobite bookmark!

Find your favourite pictures in The Prestonpans Tapestry and draw them on the stencil below. Then cut it out and use it as a bookmark.

Make sure you are careful when using scissors to cut out the shape!

Why not cut out the whole in the top, then tie a piece of tartan ribbon through it?

The Jacobite army was very colourful because of its tartan clothing. Make sure your bookmark is colourful too!
